

The main consultation document is a discussion paper, which looks at each of the seven alternative spatial strategies and proposed policies in detail. You can see this online at www.stroud.gov.uk/core and at the following locations during their normal opening hours:

- Town and parish council offices that open to the public: Berkeley, Cainscross, Cam, Chalford, Dursley, Minchinhampton, Nailsworth, Painswick, Rodborough, Stonehouse, Stroud, Wotton-under-Edge
- Public libraries at Berkeley, Brockworth, Dursley, Nailsworth, Minchinhampton, Painswick, Quedgeley, Stonehouse, Stroud, Wotton-under-Edge
- The customer service centre at Stroud District Council offices, Ebley Mill. There are computers for public internet access here as well.
- The Tourist Information Centre at the Subscription Rooms, Stroud

Those with internet access can access the questions online and submit their comments to us directly without having to fill in a response form – which will help us to save paper and save time [go to www.stroud.gov.uk/core and follow the links to our consultation portal]. Response forms can also be downloaded from our website or a photocopy may be taken from the appendices of the main consultation document.

As we did with our earlier consultation on key issues facing the district (spring 2009), we are holding drop-in sessions and exhibitions around the district during February and early March. People will be able to chat to officers working on the Core Strategy and find out more about the various strategies. Copies of all the documents we have published in connection with this consultation will be available to view and people will be able to pick up consultation response forms there too.

There will be an afternoon/evening event in each of the following parish clusters. Anybody can come along to any one of these, but we are hoping that this grouping will help us to build up a picture of the particular issues and options that most concern different parts of the district:
